Dear United Nations Technical Flight Service Vendor Registration Team,

In line with the United Nations Secretariat Technical and Operational Criteria for the Provision of Flight Service Vendor Registration for Manned and Unmanned Commercial Aircraft Charter Services (UN TOEC) para. 9.1 we would like to renew our technical UN flight service vendor registration.

1. Declaration of continued conformance to the UN TOEC:

With this application for the renew of the technical flight service vendor registration [AOC Holder] JAV attests its continued compliance with the current UN TOEC. Additionally, [AOC Holder] JAV has submitted as part of its renew application required attachments, Copies of valid AOC Holder License, AOC and OpsSpecs, Latest audit reports for operations and maintenance from the competent Authority.

It is understood that inaccurate, late, or incomplete submissions may have negative impact on our technical flight service vendor registration with the United Nations.

2. Enclosures:

The following attachments are enclosed to this letter:

	YES	NO
a. Copies of valid AOC Holder License, AOC and OpsSpecs	☒	☐
b. Latest CAA audit report of the company's flight operations department	☒	☐
c. Latest CAA audit reports of the company's maintenance department	☒	☐

Date: 17 FEB 2024
